

Mr. John Mitchell

24 May 1954

Chief, Procurement Division

Third Session of the Procurement Division Logistics Support Course

1. I should like to thank and congratulate you as a participant of the Third Session of the Procurement Division Logistics Support Program for the successful completion of our three day course.
2. The comments we have received from the students have, in the majority, been highly favorable and results of the written tests show an excellent grasp of the subjects in the short time allotted.
3. Much interest and enthusiasm was evidenced by the students and this has been largely due to the time and effort taken by your participating.
4. I thank you very much.

 STATINTL
